

CLIPPER WORLD

SERVICING INFORMATION

Clipper World has one of the largest servicing departments in Australia. We offer the following services:

- **Blade sharpening**
We sharpen all types of blades including ceramic. We have computer controlled custom made equipment and use only US made and machined honing wheels to ensure the blades are sharpened to the original specifications.
- **Clipper servicing**
We service most brands of clipper and are service and warranty agents for Wahl and Double K. We have technicians that have accredited training in Electrical, Electronic and Mechanical disciplines
- **Dryer servicing**
Clipper World has a reputation for quality servicing and repairing dryers of all makes. Our technical expertise allows assess and diagnose dryer problems, then recommend the most economical solution.

Pricing

- Blade sharpening is \$10 per blade and this includes any parts other than top and bottom cutter.
- Clipper servicing is \$25 plus parts for small animal clippers and \$35 for large Animal clippers plus parts.
We can quote on repair work prior to commencing repairs.
- Dryer serving is \$85 plus parts for twin motor dryers and \$65 plus parts for single motor units.

We can do a 24 hour turn around on all services if requested, and can send to most parts of Australia next day.
